In accordance with national BSA and Troop policy, this Troop is led by its Scouts. In the Troop, the adult leadership facilitates the Troop program and provides support and direction, in order to enable and support Scout leadership of the Troop. When a Scout assumes a Position of Responsibility within the Troop, it is important that he understand the nature and quality of his individual commitment, and the dedication needed to carry out his responsibilities. Beyond First Class rank up to the Eagle rank, a Scout must make a commitment to his brother Scouts of his Patrol and Troop to be a leader. A Scout's service in a Position of Responsibility is a privilege, critical to the success of Troop 610, and is accepted on the terms of the following Agreement:

I understand a Position of Responsibility in Troop 610 is a privilege and not a right. I understand and agree to perform the duties and responsibilities of the following Position of Responsibility:

\_\_\_\_\_, and to meet the Goals and Objectives set jointly by the Adult Leadership of Troop 610 and myself. I also understand that in order to receive Leadership credit in Troop 610 for my services, I must meet all of the requirements and performance expectations on my Goals and Objectives and have these signed-off by the appropriate Adult leader before having my Scoutmaster's Conference for my next Rank. I understand that I will be evaluated each month on my performance by the appropriately designated Adult Leader. I understand that I must maintain notes, a journal, or some record of my experience in this Leadership position, and that this record must be brought by me to my Scoutmaster's Conference. I understand that failure to meet these expectations, not setting a good example, or any disciplinary action may lead to my removal from my leadership position without any leadership credit applied towards my next rank. I understand the duties and responsibilities for the position(s) I am applying for and if selected will carry them out to the best of my ability. I realize that Scout leaders are expected to attend most troop and PLC meetings and outings.

Parent/Guardian's Approval: I agree with the commitment my son is making. I promise to support him in attending training, troop meetings, and troop activities as well as with encouragement at home. I realize that once selected his presence is necessary for the smooth functioning of the troop. I realize that he will need to attend extra meetings (such as PLC meetings) from time to time, and to communicate by phone with other scouts outside of troop meetings.
